 DONATION REQUEST FORM**

“We would like to thank all those that have been so gracious year after year by donating to our silent auction and to our prize table.”

We are in need of donations big or small these are extremely important to our tournament and make a big difference in what we give to “PATHWAYS”. Something as simple as each player donating 1 bottle of wine could help us create great wine packages for our silent auction table. Please consider donating an item or a service. It would be graciously accepted and prominent recognition given on the day of the event. Feel free to drop your donation off with David Walker @ the office of the KG&CC.

If you would like recognition for your donation, please fill out this form and drop it off with your donation:

Abilities Society

Supporting Individuals With Diverse Abilities In The Central Okanagan For Over Half A Century!

Pathways Abilities Society opened its doors in Kelowna over half a century ago as Sunnyvale Centre. Over the years our non-profit society has evolved and today serves over 200 people with diverse abilities and their families, in our community.

Pathways believes that all individuals have the capacity for positive change and growth. Wherever possible, it seeks to provide individualized, safe and positive services which foster individual growth, development and positive self-esteem.

Our priority is always to foster inclusive, diverse communities, encouraging community members to **embrace, empower** and **employ** people with diverse abilities.

To that end, one of Pathways' priorities is to create employment opportunities for its individuals. This is accomplished through a variety of efforts.

Through developing employment initiatives and proprietary ventures like **Bikeways**, Pathways' used bike store, Pathways is able to create jobs itself for its individuals.

Pathways also works with the local business community to create customized employment opportunities in the community, employing individuals with diverse abilities to fill a myriad of roles with local businesses.

Pathways main centre is located at 123 Franklyn Rd., while the society continues to operate its Integrated Career Opportunities program and its bike shop out of the original Pathways building at 555 Fuller Avenue in Kelowna.

Every individual, regardless of their ability, plays a role in contributing to the healthy growth of our community. People with diverse abilities are **willing** and **able** to make a difference. **We thank you for making a difference too, through your support!**
